PARKEDGE @ BIDADARI

ParkEdge @ Bidadari

ParkEdge @ Bidadari is bounded by Bartley Walk, Mount Vernon Road, Sang Nila Utama Road, and the future Bidadari Park. Its name reflects its prime location at the edge of Bidadari Park.

The overall site planning takes advantage of the park's view by orienting the residential blocks for unobstructed views. Inspired by the organic spread of tree roots, the pathways branch out naturally, weaving together a seamless and vibrant network throughout the development.
