**Precinct Green Spaces** featuring with ABC (Active, Beautiful, Clean waters) rain gardens in the development imbues a calm aura and aesthetic beauty for residents to feel a sense of holistic well-being to connect with nature, exercise and socialize.

**Community Living Rooms (CLR)** are designed with furniture, overlooking to the rain gardens, precinct greenery, offering a place for residents to unwind and relax.

# Hougang Olive

The colour palette for the development's façade was inspired by nature's expression of the season, in the colours of leaves from shades of orange and brown to green creating a strong precinct identity.

Gable end feature walls facing Hougang Avenue 3 are painted in feature colours and patterns creating a visual rhythm.

# Hougang Olive

The development imbues a calm aura and aesthetic beauty of the ABC (Active, Beautiful, Clean waters) features within the central open space with a variety of recreational and communal activities for the residents such as children's playground, fitness corners, resting shelters, sensory garden which are further complemented by lush greenery and open spaces.
